Florida

July 2021 New Signed Contracts

Palm Beach County

"New signed contract volume for single families compared to the prior year went negative for the first time since at least March of 2020, finally held back by weak new listing growth. In contrast, condo newly signed contracts rose year over year for the seventeenth straight month. Moreover, compared to the same month in 2019, both property types had much higher new signed contract volume."
